

# VICTOR DEB

FRONT END DEVELOPER

WEBSITE - [VICTORDEB.ME](http://VICTORDEB.ME)

## MY BACKGROUND

Hi, I am a front end developer with more than 3 years of professional experience. I just love developing pixel perfect UI and I pay minute attention to details. I am obsessed about technology and I spend most of my time learning new things. Feel free to check out my works and codes and I am always open to new challenges.

## PROFESSIONAL SKILLS

Tech Stack: HTML, CSS, React Js, jQuery,  
JavaScript, AWS  
c#.net, SQL Server
